

## **REMARKS**

The purpose of this response is to place the application into condition for allowance and issuance by cancelling all of the finally rejected claims. Namely, claims 1-27, 29-40, 44-76, 78-85, and 95-98 have been cancelled. Their right to refile these claims in a continuing application is preserved.

Claims 28, 41-43, 77, and 86-94 are indicated as being allowed. Allowance of these claims is gratefully appreciated. Since the application now contains only allowed claims, and since all formality issues have been resolved, it is respectfully submitted that the application is now in condition for allowance. Such favorable action is earnestly requested.

## **CONCLUSION**

All finally rejected claims have been cancelled. The only claims remaining in the application have been allowed. Further, all formality issues have been resolved. Hence, it is respectfully submitted that the application is in condition for allowance.

In the event additional fees are due as a result of this response, payment for those fees has been enclosed in the form of a check. Should further payment be required to cover such fees you are hereby authorized to charge such payment to Deposit Account No. 07-1897.
